

Company HR Policy

Leave Policy

Employees can apply for leave through the HR portal. Leave requests should be submitted before the planned leave date whenever possible. The employee's manager reviews the request and approves or rejects it.

Employee Benefits

Employees may receive benefits such as health insurance, paid leave, professional development support, and other benefits according to company policy and eligibility requirements.

Working Hours

The standard working schedule is Monday to Friday. Employees are expected to follow their assigned working hours and maintain regular attendance.

Remote Work

Eligible employees may work remotely according to the company's remote work policy. Employees working remotely must remain available during their scheduled working hours.

Code of Conduct

Employees are expected to behave professionally, respect colleagues, protect company information, and follow applicable workplace policies.

IT and Security

Employees must protect company accounts and devices. Passwords should not be shared with other people, and suspicious security incidents should be reported to the IT team.

Document Purpose

This sample document is created for testing the Day 17 FastAPI RAG application. It provides structured company information that can be uploaded, chunked, embedded, stored in ChromaDB, and queried through the API.
